

# 2024 Spring Meeting

## WELCOME

The Midwest Water Analysts Association is an informal group of laboratory and other professionals in the water, wastewater, health, private industry, and regulatory agencies. The purpose of the group is to disseminate information on analytical protocols, safety, operations, health, and environmental water quality issues to the membership. We started in 1965 under the name Lake Michigan Water Analysts.

# MWAA SPRING

# MEETING 2024

The Chicago Maritime Museum is dedicated to preserving and promoting the maritime history of Chicago and the Great Lakes region. Located in the Bridgeport neighborhood, the museum showcases exhibits related to Chicago's rich maritime heritage, including its role as a major port city on the Great Lakes and the Chicago River. Visitors can explore artifacts, photographs, and interactive displays that highlight the city's maritime past, from its early days as a bustling port to its significance in shipping, commerce, and recreation.
