

CALL FOR ABSTRACTS

Abstract Deadline: December 13th, 2024

The Midwest Water Analysts Association (MWAA) is a small, professional, non-profit, organization interested in all water resource related issues. We are currently soliciting oral presentations in the following categories. For more information on MWAA, please visit our website at <http://www.midwestwateranalysts.org>

CATEGORIES

1. Water Law, Regulations, Policy, Management (Federal, State, Local)
2. Water Quality, Watershed Management, Water Uses (etc.)
3. Drinking Water (operations, technology, research, etc.)
4. Wastewater (operations, technology, research, etc.)
5. Laboratory Analyses and Methodology
6. Related Health Issues

PRESENTATIONS

Oral presentations will be limited to approximately 30–40 minutes. Presentation time is dependent on the number of responses to this announcement.

Presentations from vendors are to be general information only and not infomercials. If there is time allotted for infomercials after presentation schedule is set, information regarding them will be sent later in November.
